Dear Parents,

Planning for the education of “key workers” children from Monday 23rd March

As you will have seen and heard last night school closures take effect from Monday for most pupils. We need to establish the numbers of children that will be continuing to attend into next week and beyond so we can plan provision. We do not hold information about parents' occupations. I am sorry to request an urgent response but we need to make arrangements for the children that will be in our care on school site next week.

Please could you let us know urgently, by 1pm today if you work as one of the following key workers:

- **NHS staff**
- **Police**
- **Delivery Drivers (to be clarified by DfE list)**
- **School staff (to be confirmed as eligible by DfE list)**
- **Other key worker not listed (to be confirmed as eligible by DfE list)**

Please email office@leighbransford.worcs.sch.uk or call the school office 01886 832342

We are expecting to receive the official criteria for 'key worker' from the DfE later today and once we have this we will be able to check eligibility, but until that arrives we urgently need this information. Thank you.

To all other parents and families: We will be sending information out later regarding our remote learning for the children who will not be attending school.

Thank you again for your patience and understanding at this time.

Yours sincerely

Mr S Bill
