Dear Parents,

## **Re: Remote learning**

In order that our pupils keep learning whilst the school is closed, our teachers will provide your child/children with work. This will be a mixture of paper resources that are taken home tomorrow and online resources which will be sent via Class Dojo. Completed work will need to be scanned or photographed and sent back to your child's teacher via Class Dojo. Once this work is received and assessed then more work can be planned and sent to you. Teachers will also signpost you to other digital resources that they would like you to use during this period. Work will be provided for maths, literacy and topic (which covers parts of our wider curriculum).

Communication and support will be provided via Class Dojo so please ask if you need help with completing the work.

We ask that if we have sent reading books home, please look after them and return them when your child returns to school. They are an expensive and important resource and funds are tight.

Yours sincerely

Mr S Bill

Headteacher
