Monday, 20 April 2020

Dear parents,

Update Summer 2020

I hope that you are all well and have enjoyed the weather over the past few weeks and that you managed to have a pleasant, if unusual Easter break.

In terms of updates, schools are still driven by the daily announcements from the government. As things stand we don't get any advance notice of the information that is released which is understandable given the fluid nature of the situation. Mrs Beeching and I are meeting this week to begin putting plans together of how we might open once the government decide the situation allows. I am also still in regular contact with the governing body and will draw upon their expertise and experience to formulate the plans. As always the starting point for this planning will be the safety of our pupils, parents and staff and how to best achieve this in the current circumstances.

I will of course, let you know as soon as I hear about any developments. Until then we will continue to send you learning via Class Dojo. As always we are here for you if you need us and the office is manned every day. Don't forget to contact your class teachers with any news, great work or just to say hello!

Yours sincerely,

Mr S Bill
