SIMS Parent App Lite

Dear Parents,

We are updating our GDPR processes, in order to ensure your details are as secure as possible we are setting up a parent app whereby you can update your own contact details that we hold here at the school.

This will be done by parent/guardian NOT household, for example if both parents lived in the same house we would need each of their email's in order to set up individual accounts.

Once we have your emails we can send out an invitation for you to join, currently we are still missing a lot of emails. Please could you email into the school office by return so we can input your details and get this up and running. We hope to send most correspondence and annual reports out using this method going forward

Please send to office@leighbransford.worcs.sch.uk

In the meantime we hope you are all well in this current climate, we look forward to seeing your faces again soon.

If you have any questions reference this or anything else then we will always do our very best to help you.

Kind Regards,

Mr Bill
