Dear Parents,

Covid 19 Update

I hope that everyone is safe and well.

Since the announcement on Sunday night and the further update last night, schools have now received the first release of additional guidance regarding the potential phased reopening on 1st June. We still await two further documents which are due later this week and which will be central to our planning.

It's a very unsettling time for us all, but rest assured that we're going to be doing everything we can to make sure we're ready to receive these year groups if it's safe for our school to reopen in the coming weeks. I will update you as soon as I can so that you know how the reopening will work in practice.

At this point I would like to let you know that we are not going to be pressuring anyone to send their children to school, since you know your children and personal situation best. We'll keep you updated with all our preparations for making sure the school is as safe as possible, so that you can make an informed decision.

In the meantime school remains open to the children of key workers (as previously defined) and if you need to book a place please email the school office (office@leighbransford.worcs.sch.uk). Please note that the children of key workers will be able to attend during the phased reopening, regardless of the year group they are in.

We would like to thank you for your continuous support in helping your child learn from home. We need to keep going with this for now, so please do continue to do what you can and stay in touch with us via Class Dojo.

I will update you further when I know more.

Best wishes,

Mr S Bill
Headteacher
