Dear Parents of Class R, Class 1 and Class 6,

Re-opening strategy consultation

As you know, the government are planning to re-open schools for children in Year R, 1 and 6, on 1st June at the earliest. This is conditional and will only happen when the government are sure that it is safe to do this. I'm working on a plan at the moment which will detail the logistics of this at Leigh and Bransford but it is not ready yet to be shared with parents.

As I said previously, we won't be pressuring you to send your child(ren) to school and I wouldn't expect you to be able to make a definite decision about this until you have heard from me about how school is going to be organised to ensure everyone's safety.

In order to get your thoughts I am hoping that you could email us at (office@leighbransford.worcs.sch.uk) to give us your initial feelings about the re-opening of school and how you feel about sending your child back to school. Even if you haven't made a decision either way, we'd love to hear your thoughts so that I can feed them into our planning for the next steps. When emailing your thoughts please let us know the name(s) of your child(ren).

I plan to share the re-opening strategy with Governors next week and then I will be able to send it out to parents. Only then will you be able to make an informed decision about whether to send your child(ren) to school. This will be your decision and we want to ensure that you have the information that you need to be able to make the right decision for your family.

I'd be really grateful if you could spare a few minutes to contact us over the weekend.

Yours sincerely,

Mr S Bill
Headteacher
