Saturday 6th June 2020

Dear Parents of Mrs Sage's group,

Mrs Sage's key workers group

Mrs Sage's husband developed potential Covid-19 symptoms yesterday and so they have both been tested earlier this morning at the Worcester testing site as a precautionary measure. They have been told that the test results will be back with them in a minimum of 48 hours. Mrs Sage made it clear to them that she is a school teacher so speed is very much of the essence here. Mrs Sage is not showing any symptoms herself at this time.

Until the test results are back Mrs Sage's group will need to stay away from school in order to prevent potential transmission to other groups within the school. In the likely event that her test result comes back negative we will get everyone back in straight away. As soon as I get the result I will let you know the next steps.

In the unlikely event that anyone in your home develops symptoms they should self-isolate at home for 7 days and other members of the household for 14 days unless showing symptoms. A test should also be organised online by visiting: <https://www.nhs.uk/ask-for-a-coronavirus-test/test-centre> or by dialling 119.

I will be in touch as soon as I know more. If you need to urgently contact me over the weekend then please email me at head@leighbransford.worcs.sch.uk

Yours sincerely,

Mr S Bill
