Dear Parents and Carers,

## **Opening to all pupils from September**

We are really looking forward to opening to all of our pupils after the summer holidays and we can't wait to get them back in and get back to something like normal. Based upon yesterday's guidance we are currently putting together a detailed plan for opening which will include contributions from our school governors and will be shared with Worcestershire Children First along with our risk assessment. When we have our finalised plans in place these will of course be shared with you. Once we get our pupils back in we will spend some time on a "recovery curriculum" to get them used to school again and to help them feel safe and secure. Then we will assess where they are and focus on filling any gaps to get them back to where they need to be.

I know that the full re-opening will be a great relief to many of you who have been working so hard to juggle your family's wellbeing, your child's education and your own work. You have all been doing a great job at getting that balance correct and doing what is the best thing for your family in these challenging times. I know that many of you are nervous about returning your children school which is of course to be expected. Please rest assured that we will be putting together a plan which will do this in the safest possible way. As always the safety of our pupils, their families and the school staff is first and foremost in our thinking.

Finally many thanks for the numerous positive comments and gestures received during this period. They have all been very gratefully received and have lifted the spirits of all.

Yours sincerely,

Mr S Bill
