10/07/2020

Dear Parents and Carers,

## **Weekly update**

We will be emailing out your child's annual report on Monday. These are largely based on the position your child was in when schools closed in March. We understand that this position may have changed over the recent disrupted period but hope that it gives you an idea as to how they had been getting on at school. This is not our full usual reporting regime but trust it will still be of interest to you. If you have any questions about the report then please contact your child's teacher on Class Dojo. If for any reason you haven't received your child's report then please let the school office know.

I hope that you have all had a chance to see your child's new teacher's video message on Class Dojo and that your children enjoyed the experience. We hope that this gives your child some insight into their teacher next year in readiness for our return to school in September. Plans for that return are well developed and will be shared with you after a governors' meeting next week.

You should have already been signposted to next year's term dates in order to facilitate planning of your own time. If you have not yet seen the term dates they are available on the school website under Parents/Correspondence.

Further to my letter to Y6 parents on 26<sup>th</sup> June we are now in a position to share the detail of what we will be doing for our Y6 leavers this year. As always our generous Friends association will be funding the treats for our Y6 pupils which will consist of laser tag, pizza and ice cream. All events will be held on the school site and will follow current national and local guidance on gatherings and safe operation of schools. In addition to this, our Y6 pupils will have a party and will generally be made a fuss of! We are of course planning a leavers' assembly, which will have to be a school only event in the current circumstances, where awards will be given and memories shared. Photos and videos will be shared with parents shortly afterwards. We are planning to run these events outside next Thursday weather permitting.

As the school prepares to close next Friday I understand that some of you will be looking for childcare options over the summer period. Following the updated guidance last week, holiday clubs are beginning to start again and I have been requested to direct you to [https://eycportal.worcestershire.gov.uk/SynergyWeb\\_LIVE/default.aspx](https://eycportal.worcestershire.gov.uk/SynergyWeb_LIVE/default.aspx) where you can search for childcare which I am told will be regularly updated.

Yours sincerely

Mr S Bill
