Dear Parents,

### **“Keyworker” children return to school – 6<sup>th</sup> January 2021**

Dear Parents/Carers,

Further to my communication last night, I write to you regarding applications for a keyworker place for your child in school. Please see this link, which details those who may be eligible for a place.

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

If you think you qualify and would like to take up a place/places, please email the school office today, ideally by 1.45 pm stating on what basis you would qualify and the name, address and contact telephone number of your employer. Please also detail the names and classes of your child/children.

This way we can transparently and fairly offer places to those who need them.

I am asking everyone to provide this information including children in Reception and Year 1 whom we set up yesterday to ensure we have a rigorous and fair approach for all of our school community.

We are expecting further guidance from Worcester County Council / DFE today and will update you if relevant.

We will contact you later this afternoon with Keyworker groups and all the details you will need for tomorrow morning.

Finally, apologies if some of you received my text message very late last night, it was sent at 9.30pm but I believe that the demands on the text system were high and texts arrived between 9.30pm and the early hours.

Yours sincerely,

Mr S Bill
