Dear Parents and Carers,

Tomorrow - Tuesday 26th January

I am pleased to say that school will be open tomorrow and that all keyworker groups can return to school at their usual time and via their usual door and route in. As it is still likely to be snowy and icy for at least the morning, children do not need to come in school uniform and should wear warm winter clothes with good grippy shoes or boots. There will be no breakfast club tomorrow but after school club will run as usual.

We have further cleared and gritted paths in school today, however they may still be slippery in the morning as there is a frost forecast overnight. Additionally, the drop off car park has the main path into school cleared but the car park section itself is likely to still be snowy and potentially icy. With this in mind please drive particularly slowly and carefully and give pedestrians plenty of room.

We look forward to seeing you in the morning.

Yours sincerely,

Mr Bill
