Friday, 15 January 2021

Dear Parents and Carers,

I do hope that you are managing to cope with the unprecedented demands of this difficult period. We have been looking carefully at our remote learning provision and are trying to identify any improvements that we can make that will be useful to all families. With this in mind next week we will be trialling additional live class sessions, initially in Class 5. We know this is something that is valued by many of our pupils and families, so we would like to explore what is possible without losing other elements of our remote learning offer which we know you find useful. If that works well, we plan to roll out these additional live sessions across all classes by the end of the week as a wider trial. These live sessions will be used for a variety of purposes but will mainly outline or recap learning.

I would also like to take this opportunity to signpost you to a part of our website that we set up during the last lockdown. There are many resources on here that you may find useful: <https://www.leighbransford.worcs.sch.uk/parents/additional-home-learning-resources-and-information/>.

In addition, there are local services offered to parents during this period which are provided by Worcestershire's Starting Well Partnership. If you follow the link below, they have updated their website with information giving extra support to families during Covid. This a very well-resourced site, offering support, advice and there is a place to request additional support for your family if needed:

<https://www.startingwellworcs.nhs.uk/home>.

As I said last week, please remember that we are here to help, so please feel free to contact us if you need us.

Yours sincerely,

Mr S Bill

Headteacher
