Dear Parents and Carers,

## **Tomorrow Monday 25<sup>th</sup> January**

I am currently ascertaining staffing levels for tomorrow and will be in contact you later to let you know the final arrangements.

With temperatures not set to rise above freezing today, potentially more snow and a hard freeze overnight, it is seems inevitable that travel conditions will be very difficult tomorrow morning. When flooding is thrown into the equation too, then I know that some people will face very hazardous journeys.

With this in mind, if we do open, there will be no morning or after school clubs.

If we don't manage to open the school site then remote learning will be available for all.

Please monitor your phones for an update later.

Best wishes,

Mr Bill
