Dear Parents and Carers,

We still have high numbers of covid cases in school but I am pleased to report that numbers are now starting to reduce. I'm sure that this is in no small part due to your diligence and assistance in helping us to maintain additional safety measures here. As we still are in an outbreak situation we will need to retain these additional measures for the time being.

The outbreak has meant that we have had to redeploy staff to ensure that all classes have been covered and can properly function. Unfortunately this has meant that we have not been able to run some of our usual SEN and phonics intervention groups. Please be assured that we will start these as soon as staffing allows.

I will give you a further update at the end of the week.

Thanks for your continued support.

Yours sincerely,

Mr Bill

(Headteacher)
