Dear Parents and Carers,

Adverse weather conditions

We are monitoring the weather conditions closely and will take appropriate actions to keep everyone safe. As I am sure that you are aware, it looks like we are certain to experience very windy conditions at school tomorrow. With that in mind I ask that you look after your children in a safe place until it is time for them to come to the classroom door and then we will let them straight into the building. We will then keep children indoors all day to ensure their safety from flying debris.

Please only travel to school if you feel that it is safe to do so; if you can't get in safely we will code the absence as an exceptional circumstance. We will also hold registers open tomorrow to allow for safe journeys to take longer than usual.

Yours sincerely,

Mr. Bill
