Dear Parents and Carers,

## **Parking in the turning circle**

You will recall that our school council ran a competition for banner designs to share the message **not** to park in the turning circle during pick up and drop off. This is because it is dangerous and our children and wider school community are very concerned about somebody getting hurt. We hope that the banners give everyone a visual reminder not to park there for those that still do. These banners are now displayed on the playground gates and you can see a photo of them by clicking [here](#). The photo shows our school councillors and the two competition winners.

The governors and I will be out at drop off and pick up time in the near future, talking to drivers that are causing an issue in the turning circle and trying to modify behaviours. Obviously we would rather not have to do this, so please keep the circle clear from now on. We have put in a request to the police to attend and they will have the power to enforce anything that they consider to be obstruction.

I do hope that we can now resolve this issue once and for all and I would request that everyone do their bit to help keep our community safe.

Yours sincerely,

Mr Bill
