Dear Parent

SCHOOL GOVERNING BODY - PARENT GOVERNOR ELECTIONS

There is a vacancy for a parent governor. The term of office is 4 years.

The governing body plays a significant part in the development and running of the school and as such, parent governors play an important role as members of the governing body helping to form policy, set priorities and manage the budget.

Governing bodies have three core strategic functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils; and
- Overseeing the financial performance of the school and making sure its money is well spent

No special qualifications are needed and the most important thing is to have a keen interest in the school and be prepared to play an active part in the governing body's work. However, we would particularly welcome nominations from parents with the following skills (preferred but not essential): **finance, property and communications media**. Training is available for all governors and this governing body has an expectation that those new to being a governor attend induction training.

I am therefore writing to invite you either to nominate yourself or to nominate a parent to fill the vacancy/vacancies. A nomination form is enclosed (additional forms are available from the school office). If you would like to nominate someone, please return the completed form to the school by **6th June 2022**.

The person nominated must be a parent of a registered pupil at the school on **6th June 2022**.

Please note that you are not eligible to be a parent governor if you are:

- a) an elected member of the Local Authority
- b) paid to work at the school for more than 500 hours in any twelve-month period.

No parent may propose and/or second more nominations than there are vacancies. Parents being nominated are invited to give on the nomination form some brief biographical details suitable for inclusion in the voting paper.

Under the terms of the School Governance (Constitution) (England) Regulations 2012, there are certain circumstances whereby individuals are disqualified from holding office and those are detailed overleaf.

Priority 1: To ensure that groups of pupils who have fallen behind due to the Covid 19 pandemic get the resources and support that they need in order to make the progress needed to catch up.

Priority 2: To embed further a curriculum that is broad and balanced and gives pupils the life skills and the cultural capital to be successful and enthusiastic learners.

Priority 3: To introduce and embed effectively the new EYFS curriculum to improve outcomes at age 5, particularly in language and literacy

If the number of nominations received is the same as, or fewer than, the number of vacancies to be filled then those nominated will be elected unopposed. If all the vacancies are not filled in this way the governing body will have the opportunity to appoint parent governors to the vacancy/vacancies.

If there are more nominations than vacancies the election will be by ballot. If that is necessary voting papers will be sent to you together with details about the ballot procedure.

Please note there is a commitment to attend 6 2-hour full governing board meetings a year and to become a member of either the Finance & Assets committee or Curriculum committee. Both these committees meet 6 times a year. The meetings require pre-reading and questions to be prepared in advance of any meeting. Also, governors are required to take part in a series of governor visits to the school.

If anyone wishes to have a chat with the Chair or ask any questions, please feel free to contact Sheila Marshall (e-mail: SM@leighbransford.worcs.sch.uk) or Sarah Phillips (e-mail: SP@leighbransford.worcs.sch.uk).

Yours sincerely,

J Morgan
