Dear Parents and Carers,

All things wild trip

As I am sure that you are aware, the forecast is for extremely hot weather on Monday. After speaking to the Worcestershire Health and Safety team and to the venue itself we are still planning to go ahead with the trip as things currently stand. This is because I am satisfied that the venue can provide enough indoor spaces and shaded areas to enable us to get the children out of the sun on a regular basis. They are also going to provide us with complementary cool drinks throughout our visit and a give us exclusive use of a couple of cabins that are at the centre of the venue.

On Monday, please send your child into school with a sun hat, sun screen (with some pre-applied) and plenty of water.

If there is any change to local or national guidance that has an impact on this trip then we will let you know as soon as possible.

As always, please feel free to contact us if you have any questions.

Yours sincerely,

Mr Bill
