Dear Parents and Carers,

Very hot conditions

As I am sure that you are aware, the current forecast is for extremely hot weather on Monday and Tuesday here in Worcestershire. A few of you have been asking if school will be open, to which the answer is, yes we are planning to be open as usual. During this period of heat though, please feel free to send your children in comfortable clothes appropriate for hot conditions. We will limit the amount of time that children are in the sun and use what outdoor shade there is on the school site. Blinds will be drawn and fans will be deployed into classrooms.

On Monday, it is really important that you send your child into school with a **sun hat, plenty of sun cream (with some pre-applied) and plenty of water which we will top up regularly.** Please impress on your children the importance of regularly reapplying sun cream. School staff will of course be doing the same.

I have written separately to Class 5 and Class 6 parents regarding their planned trips, and I will write to Class 2 parents once I have had a response from the Elgar museum.

If there is any change to local or national guidance that has an impact on school opening, then we will let you know as soon as possible.

As always, please feel free to contact us if you have any questions.

Yours sincerely,

Mr Bill
