Dear Parents and Carers,

As we draw to the end of our second week I am delighted to report that our pupils have made a brilliant start and are working hard and doing well. Our very youngest pupils have settled into their new routines fast and it has been wonderful to watch our older pupils supporting them.

We are in the final stages of planning extra-curricular clubs for the term and will be in touch with further details soon. We have decided to move to a monthly newsletter this year with some different features including a headteacher award. Teachers will share weekly merit winners with you all via Dojo and we will of course continue with our weekly celebration assembly.

Please note that if you are more than 10 minutes late for your allotted start time then please bring your child to the office as they will need to be signed in as they will have missed registration in class. Please also make sure that if your child is absent, you phone or email the office to let us know why. Please see reminders of start times below.

Class R	8.50 – 3.10
Class 1	9.00 – 3.20
Class 2	8.55 – 3.15
Class 3	8.50 – 3.10
Class 4	9.00 – 3.20
Class 5	8.55 – 3.15
Class 6	8.50 – 3.10

I would also like to mention parking, firstly to say thank you for not parking on the zig zags, this really does make the school end of Hoopers Close so much safer for our pupils and families. I would also like to make a plea for you to make sure that you do not block any driveways when parking. I have received reports that local residents are getting blocked in which is understandably upsetting them. Please note that on Hoopers Close there is an incorrectly marked parking bay which goes right across somebody's drive – please don't park there. Turning now to the drop off carpark (off the main road), I would like to remind you of the procedures in place there. It is for use by years 3 -6 and can also be used by anyone transporting 2 or more Leigh and Bransford pupils. The marked bays adjacent to the main road do get **legitimately** blocked in by another row of parked vehicles so please don't be surprised if that happens. The reason that this system is in place is to increase capacity, of which we do not have enough. Finally, please remember to arrive and leave as close to your allotted times as possible. The idea behind the drop off car park is that you vacate your space as quickly as possible so that somebody else can use it. I will be spending some time in the drop off car park next week to monitor the situation.

Further to my letter on Monday, please remember that school will be closed on Monday 19<sup>th</sup> September for the national bank holiday to mark the Queen's funeral. Our pupils have produced this collaborative artwork to commemorate the Queen which they would like to share with you.
