Tuesday 6th September 2022

Dear Parents/Carers,

Welcome back

We would like to welcome you back to the start of another action packed year here at Leigh and Bransford. I would particularly like to extend a warm welcome to our new reception pupils, other new pupils and our five new staff members. It was a pleasure to walk around school this morning to see the children in their new classes looking so smart and so eager to learn.

School has been a busy place over the summer and I am pleased to report that the roof to the front of school has been successfully replaced with the scaffolding coming down just in time for the children's return. Thanks to the Friends we now have a new multi-sensory garden to the front of school that we will continue to develop over the coming weeks. This area will be used as a quiet calm area and it is not an area for playing or climbing. We will be purchasing new benches for this area as well as some other items.

Teachers will be in touch with you shortly with details of the upcoming learning that will be taking place this half term. We noted from the survey last year that many of you didn't fully understand what our pupils are taught and so we hope that this new format will give you a better understanding of what is covered, how it fits together and details of related trips and visits into school. You will receive one of these letters each half term from each teacher.

As always, if you have any questions, please feel free to catch one of us at the school gate or at the classroom door. Class Dojo can also be used to ask straightforward questions directly to your child's teacher.

Yours sincerely,

Mr Bill
